Watch out for  
**VANISHING  
GIRL**  
*coming  
Fall 2009*

**NEW**  
in the series

## DEATH IN THE AIR

“Peacock continues his literary derring-do in the second Sherlock Holmes novel, *Death in the Air*, as suspenseful and riveting as the first book....The crafty turns and twists of this mystery adventure only intensify from the sensational opening, so that you can't turn the pages fast enough....Peacock's writing, smart, lithe, and assured, is perfectly attuned to readers in its accessibility and appeal...”

-*The Ottawa Citizen*
