

JACK MITCHELL

PRAISE FOR *The Roman Conspiracy*:

"Mitchell's classical adventure rivals Caroline Lawrence's "The Roman Mysteries" or Jane Yolen's "Young Heroes" series...Fast-paced action, an authentic setting, and realistic characterization all work together to make this an exciting journey to the ancient world."

– *School Library Journal*

"The Roman Conspiracy is a good strong adventure story in the tradition of Rosemary Sutcliffe and Geoffrey Trease, with lots of action, [and] a likable hero..."

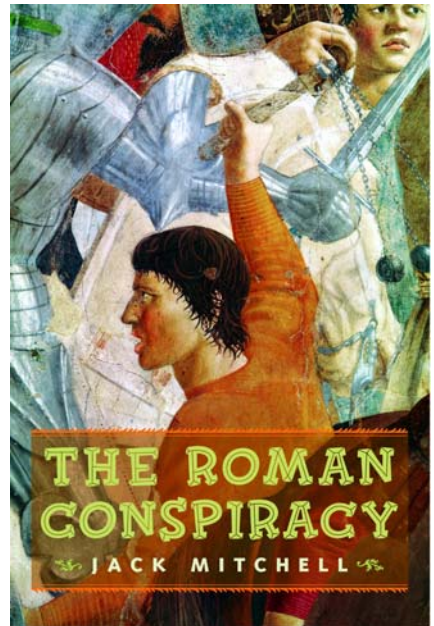

– Highly Recommended, *CM Magazine*
